

FUNDY COMMUNITY FOUNDATION

2020 Annual Report

MESSAGE FROM THE CHAIR

Throughout most of 2020, our world was defined by the Covid-19 pandemic and the challenges it presented for our communities. Fundy Community Foundation stepped up to this challenge by adapting, both in the way we operated and how quickly we responded to the needs of our community in distress.

Fundy Community Foundation invested more than ever before to support our communities' most pressing needs and to help local charities mitigate the impact of Covid-19. In this, we are very grateful for the support of the Government of Canada who partnered with Community Foundations of Canada to provide the Emergency Community Support Fund, providing \$105,000 in flow through grants to the community. This, combined with the just over \$285,000 granted from our internal funds and flow-through donations, meant we were able to grant more than ever before to support great projects and programs in southwestern New Brunswick.

In 2020, the Community Foundations also took on an important social project aimed at discovering more about vulnerable youth in our region and how we can best support them to overcome barriers to education, training and employment. Led by Keith Pierce, our role is to help him as he builds partnership through the Community Builders Network. Examples of other great projects that the Foundation is supporting are found in this report.

Early in the year, we were thrilled to be able to hire Alyssa Hazzard as Grants and Financial Administrator. Alyssa has settled into her new role and is proving indispensable to both Sandy and the Board.

In 2020, Mary Wobma and Alan Dunfield finished their terms on the Board. Both served the Foundation in various capacities for many years, and their work is much appreciated. The Board is especially grateful to Alan for stepping in as Chair in 2019.

The new Ambassadors' Circle was established late in 2020, with over a dozen retired directors offering to participate. The Circle now helps the Board generate public awareness about the Foundation and provides the Board and staff with a body of wisdom and experience that can help guide the direction of the Foundation. We are very grateful to them for agreeing to serve again.

There is no doubt that the pandemic made the Foundation's work difficult in 2020. However, the work did get done and it could be argued that we had a very successful year. If so, it was due to our board members and staff, and to our wonderful donors who contribute so much to their community.

COVID-19 COMMUNITY RESPONSE

In early 2020,

the world was rocked by the first wave of the COVID-19 pandemic.

Fundy Community Foundation recognized the need to respond quickly as businesses, charities, and individuals were faced with closures, job losses, and lockdown. We established the **Covid-19 Community Response Fund**, which successfully granted over \$25,000 to help mitigate the financial strain of the crisis for qualified donees throughout southwestern New Brunswick.

COVID-19 Community Response Fund Grant Recipients

Family Resource Centre of Charlotte County Inc. – Families, Children, & Youth Matter

To purchase a laptop, Zoom membership, and program materials needed to facilitate online programs and activities. \$6,000

Action Ministries of Grand Manan – Produce Boxes for Grand Manan

To provide boxes of fresh produce to 40 low-income households on Grand Manan. \$1,500

Home Support Services Inc. – Foot Care Recover Program

To reupholster a chair and footstool in medical grade material for easy sanitization. \$900

St. Croix Vocational Centre Inc. – Operation Clean-Eating

To provide financially insecure families with healthy food options and basic hygiene supplies. \$8,000

Minister of Finance – Blacks Harbour School – Stimulate Minds and Secure Sustenance

To purchase food and educational supplies for families experiencing financial insecurity. \$4,000

Sunbury Shores Arts and Nature Centre Inc. – Art for Mental Health

To provide art workshops and open studio sessions targeting mental health. \$4,600

Boys and Girls Club of Charlotte County – BGCCC Summer Camp

To purchase sport and outdoor equipment. \$306 (additional \$2,194 paid from the Emergency Community Support Fund)

EMERGENCY COMMUNITY SUPPORT FUND

In May 2020, the Government of Canada introduced their \$350M investment to support charities and non-profit organizations serving vulnerable populations as they managed the impacts of COVID-19. In collaboration with United Way Centraide Canada and the Canadian Red Cross, Community Foundations of Canada funded projects designed to help communities experiencing heightened vulnerability during the COVID-19 crisis. Together with over 180 community foundations across the nation, Fundy Community Foundation participated in two separate rounds of federal funding, ultimately disbursing **\$105,000** to qualified donees throughout southwestern New Brunswick.

A photograph showing the silhouettes of two hikers on a mountain peak. One hiker is standing on the peak, and the other is climbing up. The background is a sunset sky with clouds and a low sun. The text 'Emergency Community Support Fund' is overlaid in the bottom left corner.

**Emergency
Community
Support Fund**

no. 1

Community Creative Workshops

Sunbury Shores Arts and Nature Centre • \$19,700

This project aimed to provide accessible ongoing creative workshops and open studio sessions for the community, with targeted programming for relieving anxiety and mental stress and encouraging beneficial activity, mindfulness, and thinking in a carefully monitored and safe environment.

Distance Learning Support

Fundy Middle and High School in partnership with the Town of St. George • \$16,400

no. 2

This project built a library of technology to assist students who lack access to the technology infrastructure needed to complete coursework at home. Subscriptions to virtual resources were purchased to provide teachers with centralized digital materials with the goal of providing a consistent educational experience to all, regardless of their personal situation.

no. 3

Summer/Fall Tutoring Program

Elementary Literacy Inc. • \$10,000

With the move to online instruction, children relied on literacy skills more than ever to complete their coursework. This project redesigned the literacy tutoring program to a virtual format in order to mitigate the “summer slide” – the marked decline of reading capabilities that many children experience during the summer months. This tutelage ensured that children received the literary interventions they required to succeed, despite the disruption to their normal way of life.

Preparing for Covid-19

The Maria F. Ganong Old Folks Home • \$10,000

no. 4

This project prepared Lonicera Hall to meet all health and safety requirements needed to protect its staff and residents against Covid-19 and any future infectious disease outbreaks. Project costs included hiring additional staff to cover the increased cleaning and administrative demands, as well as building renovations to create an area that can be sealed off and easily sanitized, granting residents a space to visit safely with family and friends.

no. 5

Physical and Technological Support

Multicultural Association of Charlotte County in partnership with the Town of St. George • \$10,000

Many newcomers were unable to receive emergency government assistance during Covid-19 due to their immigration status. This project help newcomers in this situation by caring for their immediate needs, such as accessing food, medicine and children’s supplies, purchasing supplies for those still in isolation/quarantine, and providing access to technology.

no. 6

Summer Camp Funding

Boys and Girls Club of Grand Manan Island • \$6,500

This project covered the enrolment and participation costs of the club's summer camp and programs for children whose parents were off work or unable to pay the fees due to Covid-19.

BGCCC Summer Camp

Boys and Girls Club of Charlotte County • \$2,194 (remaining \$306 paid from Covid-19 Response Fund)

no. 7

Due to Covid-19, the BGCCC Summer Camp's usual activities of field trips, swimming lessons, skating, etc., were not possible. This project supported the purchase of additional toys, sports equipment, and water activities to be used at their facility, allowing equipment to be rotated frequently and sanitized.

no. 8

The Horizon Project

Let's Talk Science/Parlons Sciences • \$206

This project, based in London, Ontario, partnered with food banks across the country to distribute Horizon learning packs to children in grades 4-6 who are from low socio-economic families. The learning packs included hands-on STEM and literacy activities, an age-appropriate book, and other supplies. The McAdam food bank distributed 25 Horizon learning packs to children in our region.

Library Safety in Pandemic Times

Campobello Library Association • \$2,000

no. 9

This project purchased a wall-mounted hand sanitizing station, emergency lighting, and a non-fabric computer desk and computer chairs for Campobello Library, allowing for easier sanitation of public computers.

no. 10

Food, Medication Delivery, & Essential Transportation

Charlotte County Alternative Transportation Association • \$4,000

Plexiglass barriers, installed in volunteer's vehicles, enable volunteers to transport two passengers at a time, allowing clients to travel with a friend or family member. Grant funds support the purchase of these barriers, and also support the fuel costs related to delivering food hampers to food banks.

New Washroom for CCU Inpatient Room

Charlotte County Hospital Foundation • \$7,500

no. 11

Charlotte County Hospital is renovating two Critical Care Unit rooms into negative pressure rooms to accommodate COVID-19 patients. Currently, these two rooms share a bathroom. With this grant, CCH will be able to construct a second bathroom, separating the rooms to care for COVID-19 patients more safely.

no. 12

Helping Families During a Pandemic

Eastern Charlotte Lions Community Center in partnership with the Town of St. George • \$5,000

This project will provide families in need with health and hygiene necessities, winter clothing, and Christmas goodies that include gifts and food hampers containing all the necessary ingredients for Christmas dinner.

Covid-19 Necessities

Little Acre Community Residence • \$5,000

no. 13

This project will purchase two vinyl sofas and two vinyl armchairs for the communal areas, allowing for shared spaces that are easily sanitized between uses.

no. 14

Sheltered Outdoor Learning Classroom

St. Stephen Elementary Home and School Association in partnership with Union Street Atlantic Baptist Church Ltd • \$6,500

This project will construct an outdoor learning space complete with a wooden, covered structure, wooden log seats, tables, and a whiteboard. The outdoor classroom will offer students a change of scenery and, given COVID-19 restrictions, an opportunity to social distance without masks while still attending class.

Imagine

an endowment fund with your name on it

Donors from all walks of life establish funds at Fundy Community Foundation. While each expresses a donor's unique charitable goals and wishes for our community, all share our vision of an empowered, vibrant community for southwestern New Brunswick.

More freedom

Community Fund

You leave it up to us and our grants committee to ensure the community's most pressing needs are supported.

Field of Interest Fund

Target gifts to address an issue area that you feel is important to community life.

Donor-Designated Fund

You select your favourite charities and we ensure they are supported, year after year.

More control

Donor-Advised Fund

You choose which specific charities to support each year.

Charitable Organization Fund

Allows registered charities to create their own endowment, building a sustainable source of funding.

Gift in Will

Giving through your will allows you to support your favourite causes even after you are gone.
